Room 210

FCHS offers 30 clubs and athletic activities for students. Check out this session to discover the opportunities available for your child's extracurricular activities.

Suggested audience: all parents

Graduation Dates & Information

Room 204

Is your child graduating this year or next year? Are you prepared? Meet the Senior Class Sponsors and receive all the information you need to order caps & gowns, senior panoramic pictures, and everything else that goes along with preparing your child for the big day in June!

Suggested audience: Senior and Junior parents

How to Communicate with FCHS

Room 222

FCHS offers more than half a dozen means of staying informed of school events and your child's academic progress. Join us at this session to learn about all the different communicate outlets available to FCHS parents!

Suggested audience: all parents

Internship Opportunities

Room 122

FCHS seniors have the opportunity to gain workplace experience in an area of career interest. Join us for this session to learn more about how your student can intern with one of our community partners!

Suggested audience: sophomore and junior parents

JAG and its Benefits

Room 115

Did you know there is a national non-profit organization that will help your child decide "what they want to do when they grow up" AND pay your child \$250 just for graduating from high school? Get the down low on this unique nationwide program!

Suggested audience: all parents

PLATO – Earn Credits On-line!

Room 105

Uh-oh, your child is behind schedule with those 40 needed credits to graduate! Learn how they can be earned outside of the traditional classroom.

Suggested audience: all parents

PowerSchool

Room 118

Did you know PowerSchool is much more than a quick glance at your student's grades? Learn how to get the most from this valuable tool.

Suggested audience: all parents

SAT/ACT/PSAT/ASVAB Test Prep Information

Room 206

Tests, tests, and more tests! Learn what these important tests are for and how to help your child prepare for them.

Suggested audience: Freshman through Junior parents

FCHS Parent Information Night Sessions – January 27, 2022

Special Education at FCHS

Room 125

Does your child have an IEP and/or qualify for special services? Meet the FCHS Special Education staff for a Q&A session.

Suggested audience: Parents of students in Special Education program

FCHS Parent Information Night Sessions – January 27, 2022

Community Participants

Ivy Tech Community College

Meet representatives from our local Ivy Tech Community College and learn about their unique relationship with FCHS. Franklin County High School students have the opportunity to complete the coursework to earn an Associate Degree during their high school career (and FREE of cost)! Ivy Tech representatives are anxious to tell you about the Indiana College Core and the potential degree completion! You can find the Ivy Tech representatives in the Dual Credit sessions.

Miami Regionals

Miami Regionals are regional, community-based campuses of Miami University, a highly-regarded public university with a national reputation. With affordable tuition and a flexible class schedule, Miami Regionals offers a world-renowned liberal arts foundation with state-of-the-art applied learning. Regional locations include Miami Hamilton, Miami Middletown, and the Voice of America Learning Center (VOALC) in West Chester. Miami University Regionals offers bachelor's degrees, associate degrees, and beginning coursework for most four-year degrees offered at Oxford. Small class sizes, on-site child care, and flexible scheduling make Miami Regionals attractive to students at all stages of life and career. Visit the Miami Regionals representatives for more information!

Purdue Polytechnic Institute – Richmond

The Purdue Polytechnic Institute, one of the 10 academic colleges of Purdue University, provides a unique array of high-demand technology disciplines for bachelor's, master's and PhD degrees. The Polytechnic's faculty and staff encourage innovation, collaboration and creativity among diverse interdisciplinary groups in the persistent pursuit of big ideas and novel approaches. Representatives from our nearby Purdue Polytechnic campus are here to answer all of your questions about the many opportunities available for your child!

Whitewater Career Center

Whitewater Career Center's 14 in-demand career programs provide students with real-life experience, skills and knowledge to be successful in the working world. Learn what is available to your child and how they can be better prepared for their future with WCC's support. Whitewater Career Center representatives are located in room 318.

Please complete your survey and leave in collection baskets at main entrances.

Thank you for attending the FCHS Parent Information Night!
