

# I Excel in Riding Quads and Go-Carts

Ronald "R.J." Race, Grade 1  
Brookville Elementary

---

R.J. is a first grade student in Mrs. Ruwe's classroom. He excels in riding his quad and go-carts. R.J. has a blue 250 quad and a go-cart with purple on it. He likes to ride his quad on a track that his dad made for him in his backyard. He likes to go fast. His mom and dad also like to ride quads. Sometimes R.J. goes to his friends house and they ride their quads through the woods on some trails. When it comes to his go-cart, R.J. has raced in Lawrenceburg. He thinks he had been in 5 races there. He races his go-cart in the summer. R.J. assures us that he is a safe quad rider and go-cart racer. Way to go R.J.!! Be safe!
