

# I EXCEL IN Imagination

Austin Robinson  
BES grade 4

Austin Robinson is a 4th grader at BES. He is in Ms. Young's class. Austin excels in using his imagination. He loves to make up new games with his cousin. In fact, he and his cousin once played a game that he invented for over 2 hours. Besides using his imagination, he likes to jump on his trampoline, play baseball and go to the beach in the summertime.
