

# I Excel in Mathematics

Darin Terry, Grade 3  
Laurel School

---

Darin Terry is the Laurel School Excel Student for the month of November. Darin is a 3rd Grade Challenge Student. While Darin excels in math, his favorite activity at school is gym class. Darin has several animals including his favorite cat that he raised from a kitten. His hobbies include reading books and fishing. Darin plans to attend college to become a teacher. Darin would like to visit Disney World in Florida someday. Darin is always willing to lend a helping hand to classmates and tries to be a friend to everyone.
