

I Excel in Taking care of dogs.

Jaelyn Roberts, Grade 4
Brookville Elementary

Jaelyn is in 4th grade at Brookville Elementary. She excels in taking care of dogs. She really likes dogs and has a Boxer at home. He is only about a year old. His name is Diggy and is a reddish brown color. She is training him by teaching him how to behave with a leash. He already knows commands like "sit", "paw", and "both" that she taught him. Her family has raised a lot of Boxers.
