

I Excel in Academics, Athletics & Community Service

Kalene Dean, Grade 8
Mt Carmel School

I'm Kalene Dean and I excel in Academics, Athletics, and Community Service. You hear my voice every morning on the announcements. I earn A's and do pretty well in school. Some of my favorite subjects are Art, Algebra, and Life classes, like shop and home economics. The gray benches on the Jr High side of the playground are made from the Bottle Cap project that I started last year. It was fun to organize a group that helps the school and the environment. I feel I have made the environment cleaner and our school greener through this project. I enjoy dance, soccer, baking, cheering, and playing outdoors with my friends. I participate in Student Council and National Junior Honor Society. I like art and DIY crafts. Singing, music, and performing are also enjoyable to me. I am a member of Drama Club. Last year I was cast as Little Red Riding Hood in "Into the Woods". This year I am planning to audition for a role in "Music Man". I hope that next year, when I go to high school, I will be able to continue making this community the best it can be.
