I EXCEL IN

VOLLEYBALL!

Makyah is an excellent server and spiker on the LEJHS volleyball team. She has been an active player for 2 years and would like to continue her volleyball career as a Franklin County Wildcat. Playing volleyball has confirmed to Makyah that she does have strong athletic skills. She enjoys being part of a team and learning from other players. Makyah also excels in math. She is an all-round great student always giving her best effort. Makyah is thinking about career options involving math and reports that she enjoys the problem solving aspect of mathematics. Makyah sees herself as a role model for all of the elementary grade children at LEJHS. She takes this very seriously. Makyah is also a member of the LEJHS basketball team, a former journalism student, and guitar student. Makyah continues to work hard to keep excellent grades and to give maximum effort as a Laurel Yellow Jacket student athlete!
