

I Excel in Science, Working Hard, and Being Responsible

Arden Henley, Grade K
Mt Carmel School

Arden Henley is a student in Miss Dudley's Kindergarten class. Arden excels in so many ways. She works hard all day long and has grown so much in just one short year of school. She tries her hardest in everything she does, from writing neatly to solving hard math problems. Her favorite subject is reading and she is currently reading at a Level J! Arden is a great listener. She is a friend to everyone and is always on her best behavior. She encourages her classmates and is always willing to help.

Arden loves to take on responsibility. In the classroom she always makes sure everything is organized and clean. Her job at home is to take care of their pet dog. Arden has one sister, Aubrey, and one brother, Cord. She enjoys spending time with them at home and playing with Playdough, along with many other games. She wants to be an artist when she grows up. She loves being creative and practicing art. Arden is going to do great things!
