

I Excel in Running

*Jacob Schatzle, Grade 7
Brookville Middle School*

I received lots of 1st place ribbons for field day running events in elementary school. I have always been a faster runner than all my friends, too. I decided to use my speed in running to compete in football and track. I enjoy running the 100 m dash and participating in the long jump during track season. I am a running back during football season, so I get to carry the ball a lot. I plan to continue running for the Wildcats in the future. Hopefully, I will be able to compete at the college level someday.
