

## I Excel in Writing

McKenzie Rogers, Grade 6  
Laurel School

---

Kenzie Rogers is our EXCEL Student of the Month. Kenzie excels in writing and enjoys writing in her diary. Kenzie says she is a good reader and continues to enhance her reading skills. In fact, her personal goal is to increase her reading level this year.

Kenzie is thankful for her sister who is very helpful to her. Kenzie also enjoys playing with her brother, talking with her friends on the phone, and getting her hair braided by her sister. She has 2 brothers and 1 sister.

Kenzie also enjoys visiting her dad in Michigan. She says Michigan can be very cold, but beautiful.

Her dog, Dixie, is a Yorkie with long legs. She looks forward to playing with Dixie when visiting her dad.

McKenzie would like to be a counselor someday because she loves helping people. She has been a proud Laurel Jacket since preschool. Kenzie says she is serious about academics and when she goes FCHS will be taking classes to fulfill her life plan to go to college. We are proud of you Kenzie!
