

I Excel in Science, Math, and Showing Horses

Maegan Pearson, Grade 6
Laurel School

Meagan is a 6th grader at Laurel School where she excels in math and language arts. She enjoys playing soccer and lacrosse. Her horse, Elliot has been with her for about 9 years. She is also an avid competitor in horse showmanship. Meagan has earned several gold medals and continues to love the sport. Also in her free time Meagan enjoys playing football with her sister, driving the family golf cart, and helping her horse trainer. Meagan loves Laurel school, the friends she has made here, and wants to help in her community.
