

I Excel in Compassion, Academics, & Sports

Ruby Singer, Grade 3
Mt Carmel School

Ruby Singer is a 3rd grader at Mt Carmel School who excels in academics, sports, and compassion. Ruby is a great friend to others and is always ready to lend a helping hand or a smile to anyone in need. She quietly steps in to help others without being asked or looking for recognition.

Ruby lives at home with her mom, dad, and sister whom she loves very much. She also loves animals. She has 4 dogs, 3 cats, 3 pigs, 2 cows, and a goat.

Ruby's favorite subject in school is gym "because we get to play games". Outside of school, Ruby plays basketball, softball, and does gymnastics. When asked what she wanted others to know about her, Ruby answered "I love playing with animals and I love coloring."

Ruby would like to attend either Purdue or Indiana University and wants to be a primary grade teacher when she grows up. Ruby was a very bright future ahead of her. We congratulate her in her efforts to excel as a Mt Carmel Viking!
