

I Excel in Singing

Shannon Stenger, Grade 5
Brookville Middle School

I started singing when I was little at church. So I decided that I would join the BMS choir this year. I really enjoy going to choir class each week. My favorite songs to sing are the slow ones because they are easier to memorize. When I get older, I would like to be a singer but I get nervous in front of crowds. So I plan to practice singing in front of people so that I am not so nervous.
