# FRANKLIN COUNTY HIGH SCHOOL

Franklin County High School Parents and Guardians,

Welcome to the Franklin County High School Parent Information Night! We are eager to help your student have a productive school year, and are honored to assist you with the positive academic growth of your child.

While looking through tonight's list of sessions, you will find options designed to complement your student's education at FCHS. Each experience at Parent Information Night can be customized to meet the needs of every Wildcat family. Please note there are class meetings held by our Office of Student Services. Include these important meetings in your evening, and plan your breakout sessions accordingly. We encourage you to select the topics that will be most beneficial to you and your student's upcoming 2020-2021 school year.

There is a five minute transition between the breakout sessions. Please sample the refreshments prepared by our Nutrition students as you move between locations. We will ring the bell to indicate when the next session is about to begin. If you have any questions or concerns about navigating the building or locating sessions, feel free to ask our FCHS MCATZ (the students wearing orange shirts) or any faculty member for assistance.

After attending your sessions of interest and having some refreshments, please complete the evaluation form found on the last page of this packet. Once you've completed the form, you may submit it to any MCAT, or place the completed form in the basket located near the main entrance. We appreciate any and all feedback, and assure you that your responses will be kept confidential.

On behalf of all FCHS faculty and staff, we thank you for participating in the FCHS Parent Information Night!
