- 2) Wear an effective face covering.
- 3) Social distance whenever possible.
- 4) Wash hands frequently.
- 5) Updated immunizations are required-please send/fax updated records.
- 6) Nebulizer treatments will **NOT** be administered at school. Contact building nurse to discuss a plan.
- 7) Students with inhalers will be required to use a spacer.
- 8) If possible, administer oral medications at home.
- 9) If student or staff have chronic conditions that may include symptoms of Covid-19, we must have a physician note prior to August 5, 2020. Please contact your physician immediately.
10. Students/Staff upon arrival at the nurse's clinic will be assessed for Covid-19. Presentation of any two of the COVID-19 symptoms will warrant student or staff to be sent home for further evaluation. This is for the protection of our students and staff.
11. Make arrangements as to who will be picking students up from school that show symptoms of Covid-19. We will do the best we can, however our priority is keeping EVERYONE safe from this virus.
12. No student will be allowed on the bus if he/she is showing symptoms of Covid-19.
13. We receive updated guidance from CDC (Center for Disease Control), IDOH (Indiana Department of Health) and IDOE (Indiana Department of Education) weekly.
14. Please notify the school if your child tests positive for COVID-19.
15. Please contact the building nurse with any questions.
